Proposed Study of Press Coverage on Soviet Housing

25X1A9a

1. At your suggestion, [redacted] of your Branch and Mr. [redacted] of this Branch discussed the prospects and problems of an analysis of the Soviet press to determine the relative emphasis on Gorkiy-type housing in the first half of 1957 and 1958.

2. The discussion resulted in concurrence on the objectives and value of the project, methods, and a broadening of the scope to include conventional Soviet housing.

25X1A9a

3. It is expected that [redacted] will be in communication with one another regarding further details of the proposed study.
